**Choreography: Rasika Kumar and Mythili Kumar**

**Mahabharata:** This great Indian epic consists of numerous intriguing plots, drama, strong emotions and fascinating characters. In this dance drama, Rasika weaves some paradoxes from this amazing story into a magical choreography that brings the characters alive into a conversation that becomes contemporary, eternal, and personal for all who witness.

**Rasika Kumar** is a student of Mythili Kumar of California and has also studied with renowned teachers Prof. C.V. Chandrasekar and Smt. Kalanidhi Narayanan. She has performed in many of [Abhinaya Dance Company's](#) productions since 1996, as a soloist and as an assistant choreographer for productions like Saatvika (2006), Ritusamhara (2006), Poetic Splendor (2007), Prithvi (2007), and Mayiladum Alagan (2008). Rasika's choreography and performance have garnered acclaim from a wide range of audiences including her performance at the Westwave dance festival. Rasika received a M.S. in Computer Science from MIT and works as a software engineer at Google, Inc. <http://rasika.kumar.googlepages.com/>
